Comments from Head Coach Nick Bradley:

The girls started the game great tonight. We were able to control the tempo of the game. We marked up on their best goal scorer and that helped us a ton. However, we were unable to make enough runs on goal to really put any pressure on them. We made a few mistakes and SCW capitalized with 2 goals. SCW then took advantage of the momentum and was able to put another 3 in before half. I talked a lot about perseverance and sticking to the game plan at halftime. The girls did just this in the second half and we were able to keep SCW scoreless. I am proud of the resiliency the girls showed in the second half. We know need to keep that mindset for the entire game. The girls have had a long week. The weekend will give them time to rest and recover before our games next week.
