Comments by Coach Eller: “Treynor completely controlled the match, but we did a good job defensively by forcing them to take the majority of their shots from outside of 15 yards. Sam had a great game in goal and our defense and midfielders did a great job of marking up. Treynor got a goal off a steal which led to their player being unmarked from about 18 yards out and the other goal was on a great shot from about 20 yards out. Treynor has a lot of speed and was able to shut down all of our counters, especially since most of our counters had to be at least 60 yards long once we regained possession.”
