Comments by Coach Eller: "Gilbert was another really good team that we played today who controlled the possession the entire match. Again, we played good defense, marked up all of their players well and didn't give up anything easy. Gilbert scored 2 goals on great one on one moves after receiving a pass with their back to a defender, turning and getting off a shot from around 18 yards out. They scored 2 goals on nice headers off of beautiful crossing passes and they had 1 goal from about 30 yards out just under the crossbar. Their goals were all due to their players making plays. We just weren't able to maintain possession enough to create many shots. Today was a tough day against 2 really good teams, but our schedule will get easier soon. The teams we faced today made us get better with communication and that should help us for the remainder of the season".
