**Comments from Head Coach Nick Bradley:**

The girls played a tough game tonight. We made a few errors in the first half and Sioux City North was able to capitalize on them. However, I felt like we did a lot of things right in this game. The girls are listening and learning each and every day. They continue to get better. We still need to work on our speed with our forwards and midfielders. Also, we are starting to move the ball better. We understand the give and go now. The more we play together, the better we get. Sioux City North is a tough team and they have lost and won against good competition. I really felt like we held our own. The girls will finish the rest of the week working on speed and passing and then have their home tournament this weekend. Our first game is against East Sac Saturday morning.
