Comments from Head Coach Nick Bradley:

Tonight was a tough night for the Lady Mondarchs. Lewis Central is a very fast and aggressive team. They control the ball well and have multiple players who can score from outside the 18. As a team, we gave ourselves several opportunities to push the ball up the field. We did a nice job of hustling and trying to find the open girl. We must still work on our conditioning and our ball control. Too often when the ball was passed the ball bounced too far off of our foot. These are things that will be worked out the more the girls play together. Lewis Central is one of the best teams in the state and now we know where we stand. We did a ton of good things tonight and we have several things to work on. We will have many games this year where we will be the dominant team like LC was tonight. I told the girls to remember that the season is long and every game is a learning opportunity. We know the things that worked and the things that didn't work. Now, we must come back and continue to practice hard. The girls will play again next week against TJ, Glenwood, and Creston.
