The girls played a great game tonight. We knew going into the game that we matched up very well. Missouri Valley has had some good games against tough competition this year. The first half was Bailey Gibbons was able to capitalize on a cross from Magaly Villa with 12 minutes left in the first half. She responded quickly and tied the game back up. I feel like we controlled the second half of the game but were unable to score. This meant overtime. This was the first overtime of the season for the girls. They played very well. We were very aggressive offensively. Magaly Villa was able to get a breakaway and Mariela came out and Magaly went around her and pushed the ball in with 2 minutes remaining in overtime. Tonight was a true team effort. The offense and the defense stepped up big tonight. Tonight we played very well. We have 3 seniors this year: Mariela Alfaro, Yesenia Altamirano, and Anna Meyer. These girls have been teammates throughout the last four years and their effort has been amazing. We want to thank them for their contribution to the program, and Coach Hawn and I wish them the best of luck moving forward in their lives. The girls will play a tough game Friday night in Atlantic and then have 3 more games before the season play begins.
