The Lady Monarchs played a tough game tonight. We stuck to the game plan and were able to score we were leading 1-0. Harlan was able to make a run in the second half and put 2 goals in. We had a score but just couldn't capitalize. I am so proud of this team and how hard they worked through everything I asked of them and their hardwork made them better players. I want to thank all of the girls for their dedication to this program over the last 4 years. Their presence will be missed greatly. I know their hands and the girls will continue to get better over the next year. I am excited to be able to see t

score first. Going into half  
and several attempts to  
out this season. They did  
the seniors for their  
the program is in good  
their growth in a full year.
