Shots on goal: Treynor 17, D-S 1
Saves: Sam Chandler had 12 saves in goal for the Lady Monarchs
Halftime score: Treynor 2, D-S 0

Comments by Coach Eller: "Treynor is again one of the best teams in the state as they are ranked #5 in 1A. They have speed at every position. They are so accurate with their passes that they don't beat themselves and all of their players can dribble the ball to create shots for themselves or draw extra defenders to them so they can pass to an open teammate. It's not like a lot of teams where you can focus on stopping 1 or 2 players. They have an entire team of players who can score and create shots. Honestly, even though we gave up 5 goals I thought we marked up really well and played good defense against a team that good. They got 2 of their goals on corner kicks on really well placed kicks that their girls won the ball in the air. They got a goal when a midfielder dribbled the ball into the box going to her right, drawing our defense that way and then centering a perfect pass to her left so they could get a shot off before we could get in front of that shot. They had another goal where their player just made a great turn and shot when we had her marked up really well. That was just a situation where good offense beat good defense. We made 2 mistakes with communication and they made us pay for both of them. We had 2 girls by each other who both thought the other player would kick the ball. Neither player kicked the ball, so Treynor's forward got it immediately behind our defense, attacked their right corner drawing our defense to our left and centered a perfect pass to the middle all while our defense was scrambling because our middle defender had to leave the middle to stop the breakaway. On their 2nd corner kick goal, we had 2 players run into each other because our defender didn't hear our goalkeeper call for the ball, so that was actually an own goal. We did compete against a great team. When I looked at Treynor's stats, they have dominated the shots against almost every team they have played. When we possessed the ball, they closed down on the ball so quickly with just 1 player and marked up so well on everybody else that it made it hard to get the ball into their defensive third of the field".
