The girls played a tough game tonight. Harlan is a good team. They controlled the ball well. We go in in the first 30 seconds. This has been a struggle for us all year. We have had many convers game quicker. We tend to let a goal go in within the first five minutes and then settle down and competitive. Going forward, we must control the tempo of the game from the start and not allo quickly. We were able to get a nice corner kick from Bailey Gibbons that deflected off of a Harlan goal. This closed the gap. Harlan was able to capitalize again and make it 3-1. Yesenia Altamirai to score quickly to bring it back to 3-2. With only five minutes remaining we tried pushing all of the game. Harlan was able to take advantage and put two more goals in. As a team we continue game. The girls will play again on Thursday at home against Carroll.
