Carroll tied the score with 21:33 remaining in the match following a steal of a Lady Monarch pass followed by a beautiful diagonal cross field switch from the left hash to the right corner. Carroll then switched the ball back to the center of the field and finished the shot from 6 yards out after Belinda Pancho got her fingertips on the switch but couldn't haul the pass in.

Comments by Coach Eller: "This game was hard to watch as it was a very uneventful game with both teams struggling to create many good shots from inside of 18 yards. We really struggled again to win in 1 on 1 situations as Carroll defended the middle of the field very well. Give Carroll credit for their goal. They connected on 2 great switching passes and had our defense scrambling. Unfortunately, we weren't able to make Carroll's defense scramble as we struggled to connect on passes again and we struggled to move the ball side to side. When we did create good chances for 1 on 1s on the wings, we rarely were able to create a shot. In hindsight, I should have gone more defensive heavy in the 2nd half with how much we were struggling on offense tonight".
