1. Comments on upcoming season (Overall outlook, strengths, weaknesses, concerns).

This season we are bringing back lots of Varsity experience. We have 5 returners coming back (4 of them being seniors) that played Varsity last year for us. The four senior returners are Kiana Schulz, Abby Gutierrez, Claire Leinen, and Zoey Beery. I am looking forward to seeing how each of them can improve on the skills they already have. We should have a great team this year that will be fun to watch with high expectations. The seniors will have to lead the way for us which I know they can do. I am excited for the season and to see us compete.
