**Coaches Comments:** We knew today was going to be a tough one facing the #7 ranked team in the state on their home courts. We fell a little short, but gave it our best shot. We just couldn't finish some games in singles which is what really hurt us. We have a short turnaround because on Monday St. Albert will be coming to town. We need to get back onto the right track which I know we can do.

**Highlights:** Kiana Schulz is still undefeated where she beat her opponent 8-3 today. She is really fun to watch.

Kiana Schulz and Claire Leinen have great team chemistry and communication helping them get the 8-4 win.
