Coaches Comments: I thought today we gave it our all, but fell short to a talented Bishop Heelan team. Some of our scores were a lot closer than what the final score shows. If a few of them go our way, it would have been a different outcome. We finally have a few practices to get ready for Kuemper on Friday.

Highlights: Kiana Schulz had her best singles win of the year. She knows how to study her opponent and attack their weaknesses.

Leila Jaime had her best win of her career. Even though it was JV, her opponent was the #6 Varsity player. She is getting really good.
