Comments: Tonight we lost a close dual 4-5. I am proud of the way we played today. St. Alberts is a talented team and we stuck right with them. It was an extremely close match the entire time. Each match we play we continue to get better. We just have to learn how to win close matches.

Varsity Highlights:

Kiana Schulz played fantastic today against a tough opponent. She is trying to develop her at net play which if she gets that down it will add a whole new aspect to her game.

Evelyn Lopez and Abby Gehlsen won their doubles together and each won their singles match. They competed the whole day which helped land our team 3 points. They are a great duo together with their consistent and powerful hits.

JV Highlights: JV had a great day today winning 9-0. Everyones consistent play was too much for their opponents. Each day they are improving which is fun to watch.
