Comments: Today was a great first match for us against Harlan. Coming into today, we haven't practiced too much because of the weather and Spring break. I knew that they would be in the same boat as us though. I was super proud of how we played today. We did not drop a Varsity match today which is tough to do. We need to have a great practice tomorrow because we will see a lot of great competition in Shenandoah Saturday.

Highlights: Kiana Schulz picked up a great win at #1 singles. Her serve looks even more powerful than last year.

Abby Gutierrez and Claire Leinen had to grind out their wins in singles today. I was impressed with how they kept their composure all match. They both will be tough to beat.

Lynnae Johnson and Abby Meseck and Zoey Beery all dominated in their matches today. Their consistent but powerful play was too much for their opponents today.

Abby Ratliff won her first Varsity doubles match today with Zoey Beery. I was impressed with how well they meshed together on the court with limited playing time.
