We beat Harlan 5-1 in singles so we didn't have to play doubles. We had too much depth for Harlan to be able to compete with us. I was glad of how we took care of business in singles.

We beat St. Albert in the 2nd round of team regionals 5-1. Everyone played their part in a great team win! I thought we played our best tennis all year and the girls should be very proud of how they competed today. We are going to rest this weekend, practice on Monday, and get ready for the 2nd round of team regionals in Sioux City on Tuesday. We will play the winner of Spencer and Spirit Lake (their match is going on right now). I am excited to see how we can compete Tuesday. We are playing our best tennis right now which I know will carry into Tuesday.
