Comments: Coming into today we knew that we had to play Boone in the first round of team regionals. We knew they were a tough team and were going to be ready to play on their home courts. I thought we played and competed well today. Some of our players had some close matches. Kiana fell in a super tiebreaker. Emma won her singles match in some close sets. I was sad to see the season end, but I am so proud of the girls. Throughout the entire season, we always competed and got better along the way. I am excited for next season with this team. Seniors, thank you for leading the way for this program. Go Monarchs!
