Comments: Coming into today we knew that we had to play Spencer in the 3rd round of team regionals. We knew they were a tough team and we had to be ready to play our best tennis. I thought we played and competed well today, but we didn't have enough consistency to win close sets. Abby Gutierrez picked up a fantastic win against a state qualifier. Throughout the entire season, we always competed and got better along the way. We truly played our best tennis at the end of the year and that is all a coach can ask for. Seniors, thank you for leading the way for this program the last 4 years. You left the program in a better spot. I am proud of you all. Go Monarchs!

Next up: Individual State May 24-25 (Kiana Schulz)
