### **Doubles**

Game 1 Kiana Schulz/Paola Martinez vs Landry Miller 10/Allison Narmi11 St. Alberts **2-6, 1-6 L**

Kiana and Paola battled today against a really great St. Alberts team. They have played these opponents before so they knew all of their tendencies. I am proud of the way they competed today. They have been fun to watch all year.

Game 1 Abby Gehlsen/Evelyn Lopez vs Regen Halsne 11/Bryinna Huen 12 Ballard **0-6, 2-6 L**

Abby and Evelyn played a tough Ballard team. They lost both sets, but they left everything they had on the courts which is all a coach wants to see in their players. Abby and Evelyn have been a great dynamic duo to watch this season.

### **Singles**

Game 1 Hailey Meseck vs Braedynn Batson 11 North Polk **6-2, 6-3 W**

Game 2 Hailey Meseck vs Jordan Schwabe 11 Kuemper **4-6, 4-6 L**

Hailey had a great day of tennis. She won her first match against a North Polk player. Her consistent play was too much for her opponent. Hailey lost against Jordan from Kuemper. Both of the sets were extremely close. I can't wait to see Hailey play next season. She will be a force to be reckoned with.

Game 1 Hannah Weber vs Anna Schewe 12 St. Alberts **6-2, 3-6, 4-6 L**

Hannah played an opponent she has played multiple times this year. The match was extremely close. Many of the games could have gone either way. Hannah competed but fell a little short. Hannah gave it her all today and had a great senior season.

Comments: Our season came to a close today. Thank you to our 6 seniors and all the other Lady Monarch Tennis athletes for a great year. So proud of the way these ladies battled all year long.
