Coaches Comment: Today was a very long day of tennis. We started the day playing Lewis Central. We ended up winning 5-4 in a three and a half hour matchup. Claire Olsen had a terrific comeback in singles being down 3-7 and ended up winning 9-7. Leila and Abby played terrific in their doubles match with some powerful hits winning 8-4. Jacee Jepsen also won two matches against LC. She is very athletic and can hit the ball well.

We then played Audubon and won 5-4. Claire, Kacie, and Ella were the singles winners. They were very consistent with their hits getting them the win. Ella and Kacie sealed the deal with their doubles match to give us the 5-4 victory. We played a lot of tennis today and it feels great picking up two wins. We have a fast turnaround as tomorrow we play Atlantic.
