Coaches Comments: Today we fell a little short to a talented team. In singles play, some of the matches we competed very well in, but could not finish the job. We are getting better and are a tough team when we have our full lineup. We have a nice break, and then have two home matches next week.

Highlights: Claire Olsen and Jacie Jepsen dominate together in doubles. Their chemistry has been great.

Kacie Schulte and Ella Bahnsen picked up great singles wins. Their consistent hits were too much for their opponents.
