**Coaches Comments:** It is always a good first match if you can pull out a win, but even better when you can take care of it after the singles portion. The team was ready to play today even with only having 3 practices. They showed up all summer and put in work to be ready for today. I am proud of how hard they worked and I am excited to continue to see them grow throughout the season. We have a quick turnaround as tomorrow we play Harlan @ Home 10:00AM.

**Highlights:** Ella Bahnsen and Ashley Saravia won their first varsity match debut. They looked dominate in their 8-0 wins

Kacie Schulte's powerful serve helped her win today 8-5

Jacee Jepsen and Abby Ratliff both won 8-0. They were too consistent for their opponents.
