Coaches Comments: Going into the weekend 2-0 is a great feeling. The girls played well the last two days and it has been fun to watch. Next week, we are going to see some really good tennis players/teams so we need to make sure we are ready for that. Our next match is the girls fillies tournament in Shenandoah Monday at 11:00 AM

Highlights: Kacie Schulte, Ella Bahnsen, Jacee Jepsen, and Abby Ratliff all went 2-0 in singles this week. They are all playing at a high level and have dominated in their matches.

Leila Jaime won her singles match today against a quality opponent. Being at the #1 is always tough to win matches, but today she showed how consistency can win matches
