**Comments from the Monarch coaching staff:**

We were back in action on Saturday in Logan at a very deep filled tournament and were able to get 5 of 6 girls inside the top 8 and able to out wrestle some of our seeds. We were led by Gracen Plagge who went 3-1 on the day and making it to the championship match where she fell just short. Regardless, we felt like situationally Gracen had wrestled the best she ever has. The other 4 girls fell in the consolation round to see whether they wrestle for 5th or 7th before all coming back to win their 7th place matches. Overall, we continue to see improvements across the board and staying the course of the process of growing through more and more varsity mat time. We look to turn more of the 50/50 situations in our favor that could potentially end matches. The Monarch wrestlers will be back in action Friday the 16th in Perry. That will be a good test for us as we will be able to gain common opponents and head to head in future regional opponents.
