**Comments from the Monarch coaching staff:**

The Monarch girls were back in action on Friday in Perry where 3 of the 6 girls placed in the top 2 in their respective brackets. We felt like the girls were able to wrestle through situations rather than stopping to react to what the opponent would do. There was a better feeling of knowing how to wrestle with leads compared to earlier in the season which is a key component to their growth as wrestlers. We are looking forward to hosting a triangular in Monarch Gym on Thursday, and would love the support from the community for it. Everything now is finding and maintaining momentum towards January 30th for regionals.
