Comments from the Monarch coaching staff:			
We were a little bit closer to full strength tonight compared to Saturday. We still have a couple girls out that we're hoping to get back on Tuesday to get ready for regionals. tonight than Saturday even though we didn't match up well in a dual setting with some girls out. That makes us feel better in a sense that maybe Saturday was more us shaking the rust off after two weeks off from live competition.

We went 0-2 in duals, but there were a lot of opens to go around for all teams. We went 3-1 in matches wrestled against ATU and 3-2 in matches wrestled against Missouri Valley.

Giana Garcia and Taya Adams both wrestled twice and went 2-0 on the night. Taylor Totten and Alexa Tremblay were also able to pick up wins.

We are back in action Tuesday night at Glenwood for two more duals before regionals on Friday.
