Comments from the Monarch coaching staff:			
<p>We wrapped up the regular season today in Atlantic in a deep tournament. Alejandra Aragon was our highest place finisher today earning a 5th Place finish and going 4-2 on the day. Gracen Plagge was able to get 6th Place on the day. We now shift our focus to next Friday in preparation throughout the week to peak at the right time next Friday in Nevada. We are proud of the fight and resilience our girls have shown this season and look to build upon the Monarch wrestling program for years to come.</p>
