Comments from the Monarch coaching staff:		
<p>We are so proud of the resilience and fight our girls showed today. It's a long and emotional day. There are a lot of tears - both happy and sad- all throughout the day and we took a pretty tightknit group of girls that never failed to support each other. We ended up with two state qualifiers and finished 8th out of 24 teams.</p> <p>Taya Adams (Sr) had a heck of a day. She came in as a 6-seed and finished 3rd while avenging losses to two opponents from earlier in the season along the way. We thought she could do it and we kept telling her she could do it, but she put together four great matches in a row to qualify for state. We can't say enough about the top-notch type of kid that Taya is, so it's great to see her get a chance to head to state as a senior.</p> <p>Angie Rivera (So) held on to take fourth place and qualify for state in back-to-back years to start her career. She's a staple in our lineup and, along with Taya, is a captain for our team. Angie is as tough as they come and her prior experience at state will undoubtedly help both her and Taya next week.</p> <p>The remainder of our lineup fell short of qualifying for state, but we truly have had a great season. We are miles beyond where we were last season and, with the exceptions of Taya and Taylor Totten, we will return the remainder of our varsity lineup. Taylor finished her two year wrestling career with 36 wins (28 falls) along with the school record for fastest fall (0:05).</p>
