**Comments from the Monarch coaching staff:**

We were back in action the first time after break tonight where we had 5 of 6 girls in the medal rounds, and placed 9th as a team. We did some good things that we were able to work on over break, but still need to improve from the bottom position in finding ways to escape. We left with a little bit of a sour taste in our mouth as we had leads in matches, but then found ourselves getting pinned. The constant reminder to be process oriented, and the results will take care of themselves especially with 4 of the 6 being freshmen. A couple of our girls were able to avenge losses from earlier in the season which is also encouraging. Now we get to be back in the room with more of a routine with school going again, and look forward to another opportunity in a deep Logan-Magnolia tournament on Saturday.
