Comments from the Monarch coaching staff:

We wrestled much better as a team on Saturday in Onawa. It was great to see how quickly girls are applying what they are learning in practice and meets. We talk about focusing more on the process than the results, but we had five girls in the finals and two - Daniela Salinas (100) and Angie Rivera (140) - were able to take home first place honors. Again, there is more to wrestling than where you finish on the podium, but these results are nice to see. We were able to get every girl quality mat time and a few were able to pick up their first wins of the season. That's always a nice feeling to get on the board in the win column and get that boost of confidence.

We are back in action Monday at Council Bluffs Thomas Jefferson before heading into Thanksgiving break.
