Comments from the Monarch coaching staff:

We opened up after Thanksgiving break with senior night where seniors Giana Garcia were able to go 2-0 and Gracen Plagge going 3-0. Overall we felt that there were some good individual performances, but still looking to piece it all together in a dual format. Tricia Collins finished 2-1 on the night, and continue to be pleased with her progression as a freshman. Lihley Vrieze was able to get a win as well as she was down by 2 with 10 seconds remaining before earning a go ahead takedown as time expired. We are ready to get back in the room for the rest of the week to continue to progress as we hit a tough stretch in our schedule in the month of December. The Monarchs will travel to Audubon on Saturday as that has always proven to be a deep tournament at all weight classes.
