Comments from the Monarch coaching staff:

We weren't sure what to expect tonight as we had quite a few girls out of the lineup for a variety of reasons, but we competed our tails off and were right in both duals. We went 4-3 in matches wrestled against Carroll and 5-2 in matches wrestled against Gilbert. We wrestled well, but we also have to balance those feelings out and understand that we can't be satisfied with moral victories. Shorthanded or not, we had a couple big mistakes where we got pinned when we had the lead in matches. We fix those mistakes and wrestle through some positions and the tides are turned where we win both duals and really make a statement. Tough night of wrestling and we're starting to develop an identity as a team, but there is still room to improve.

Andrea Alcaraz (9) went 2-0 for us tonight and I want to make sure to recognize Jessica Cabrera (12) who stepped into the varsity lineup at 145 for us tonight and picked up two falls. Jessica has been with us both seasons and it was cool to see her step up for us and execute.

We have one more competition before Christmas break at Kuemper on Monday and it will be a loaded field of competition. We need to get back to work in practice and keep improving.
