Comments from head coach Raegan Andersen:	The weather was perfect for our athletes to compete today, and the Harlan meet once again brought tough competition. It was a great mid-season test to see where we stand and what we need to keep improving. Compared to last year, many of our runners ran faster times but placed higher, showing just how strong the field was. Our athletes gave it their all and left everything out there on the course today. The middle school boys kicked things off, led by Seth Ullrich, who finished 13th. He did a great job of getting out and hanging with the lead pack during the race. The middle school girls had another strong showing, finishing 2nd with 51 points. They were led by Jocelin Garican (4th), Taelen Young (5th), Caroline Schrum (6th), and Ayvah Nemitz (21st). This competitive group listens well and races smart. They finished just 8 points behind Glenwood and know their target heading into the Hawkeye 10 meet. The future is bright for both middle school teams and were excited to see their continued growth. The high school races were just as competitive as the middle school races. The Monarch girls finished 9th, led by Isabelle Bume (22nd), Charlotte Schrum (36th), and Heydy Leanos (49th). Heydy stepped up big as our No. 3 runner today. She is an extremely hard worker and it's exciting to see her confidence in herself continue to grow. On the boys side, they placed 11th as a team. The trio of Kevin Sanchez (19th), Angel Garcia (38th) and Raul Castillo (55th) continue to lead the team. The boys need to continue to work on getting out fast. It's hard to make up ground in such a fast field. We can't wait and need to be in a competitive position right from the start. Abdiel Corona had a tremendous last mile and really made up ground to help lower our score. Our athletes now have two days to rest and recover before our home meet on Tuesday, September 30th. We'd love to see the course packed with support as they race on their home turf!
