Comments by Coach Eller: "We did a lot of things really well in this game. We were very smart when we were going into a strong wind and played very good defense. We didn't get caught up too high and give up breakaway counters going into the wind. Our midfielders did an outstanding job of marking up and really limited CBAL's chances for shots as they simply didn't have players open for shots. On the other hand, the 8 off sides penalties really limited our scoring chances. CBAL ran an off sides trap and our forwards continually got caught watching the ball and not watching the back line move up. We need to learn from that because that won't be the last team to run an off sides trap against us this season. We also had a couple 1 on 1's vs. their keeper that we rushed and didn't put the shot on goal. We dominated this game much more than the scoreboard indicated".
