Comments by Coach Eller: "The JV played another very good game. We were accurate with our shots for the most part. Atlantic's goalkeeper had a couple very nice saves on some very hard shots on goal. We just missed out on a couple of headers that were just over the crossbar from inside of 6 yards. Defensively, we made a couple mistakes and Atlantic made us pay for one of them. We tried to get fancy and take the ball from their player instead of making him get around us and kick it out of bounds or clear it when he made his mistake. We stabbed at the ball which deflected off his leg and gave him a breakaway 1 on 1 vs. our keeper. We got everybody a lot of playing time in our last home game of the season. Overall, we played well and the game was not as close as the score would indicate".
