**Comments and Highlights on next page**

**Comments:** We played better singles against the same competition last year, but our doubles play has been less than desirable.

**Highlights:** Owen Galvin had a big win in the #1 singles position today. He played a smart, patient game showing that he has the capability of playing different styles against different players.

Grant Fink got off to a slow start in singles but pulled his game back together. He led through the 2nd half of the match and unfortunately fell in a tiebreak 7-9.
