Comments and Highlights on next page

Comments: We caught Atlantic in a rebuilding year after graduating 5 of their top 6. We will be in the same boat next season. I was particularly glad to get off to a fast start in our singles matches. Our doubles matches were much tighter and it exposed some weaknesses that we need to improve upon in the second half of the season. The JV looked strong improving to 3-0 and 1 tie for the season.

Highlights: It is tough to win in the #1 position and Owen started off behind, but was able to finish well in his 10-4 win.

Grant Fink's consistency mentally drives his players over the edge. He won easily 10-1 to a player with better skills than the match score represents.

Javin Baker got back on the winning track playing well in his 10-5 singles win. He continues to improve his doubles play in a solid 10-7 win with Owen.

Jaden Bradley played a very talented opponent and had a solid 10-4 win. His groundstrokes are getting better each week.

Cesar Cardona, Jr. had one of his best days. His skills are becoming quite impressive.
