2	0	3	0		5

### Comments:

The JV squad scored early and often and were able to maintain the lead to come out with a 15-5 win. Lance Arkfeld got the start on the mound and was able to settle in after the first inning. Gavin Hipnar provided some relief with two outs in the third, and recorded strikeouts for the final 4 outs of the game. It felt like a game where everyone was able to get in on the action and contribute in some way. We had a lot of guys reach base and run the bases aggressively. Our older guys were able to lead the way as Lucas Segebart and Devin Fink each notched doubles while Wyatt Johnson and Wyatt Randeris had two hits apiece.

We were much better in situations tonight than we were in our last game, and we will continue to get better as we get more innings and experience under our belts. We look forward to two games next week with St. Albert and Harlan.
