Comments:

The Monarch JV fell to Kuemper by the score of 19-2. Things got off to a rough start when the Knights scored six runs with two outs in the first - mainly on unearned runs. Starting pitcher Jake Fink settled in and tossed two scoreless frames before getting knocked out of the game in the fourth. Lance Arkfeld and Easton Emery came in as relievers.

We couldn't get much going offensively, We were hitting the ball, but couldn't get any runs across the plate until the fourth inning. Our best chance to get back in the game came with the bases loaded in the bottom of the third before flying out to right field.

We get back in action with four games next week.
