Denison	0	0	1	0	0	8	9

Comments:

The Monarch JV team used a huge bottom of the 6th inning to end the game tied with Atlantic. Jake Fink got the start on the mound with Lance Arkfeld and Easton Emery providing relief.

Offensively, we had trouble getting going. Atlantic threw a soft-tossing lefty at us that had us out in front of a lot pitches. We were able to do our damage against a pair of relievers in the sixth inning.

I think it would have been very easy to roll over and quit in the last inning, especially with the first batter getting out for us. I'm proud of how we were able to get going offensively and able to keep it going. We haven't been able to do that much this season.

We don't get much rest as we are back in action tomorrow in Audubon.
