Audubon	0	1	0	5		6

Comments:

The Monarch JV team went on the road and got an 11-6 win over Audubon. Jaxon Wessel got the start on the mound and pitched an efficient first inning. Harrison Dahm came in to provide two innings of relief before Gavin Hipnar pitched the last inning. It was a good chance to get a few guys innings on the mound, and they were up to the task.

Our offense came alive and we ran the bases well as we were able to score in three of the four innings played. We were a little shorthanded as a couple JV guys got moved up to get some varsity experience in the second game of the day. We had some guys playing new positions, which is good to get them experience and help the team in ways they aren't used to.

We are back in action next week as we play St. Albert, Lewis Central, and MVAO.
