Comments:

The Monarch JV team fell by the score of 6-3 to St. Albert on Tuesday. Wyatt Randeris started the game on the mound and Lucas Segebart provided two scoreless innings of relief. Our pitchers battled some defensive miscues, but I really liked the way we battled and saw a lot of things I liked from them. Wyatt keeps improving on the mound, and it was good to see what Lucas can do in his first time on the mound this year.

Offensively, we were able to manufacture some runs, which is great, but we could never really get a rally going to put a crooked number up on the board. I thought our approaches at the plate, for the most part, were good and that's something we can build on.

We are back in action on Thursday at Lewis Central.
