Comments:

The Monarch JV fell to Harlan by a score of 8-2. It was a good game the whole way until the wheels fell off in the 5th inning. Jake Fink gave us a great start on the mound in his first appearance this season by getting 6 strikeouts in 4 innings. Gavin Hipnar and Christian Schmadeke combined for an inning of relief.

Lance Arkfeld provided the only RBI for the Monarchs with a single that scored Harrison Dahm in the first inning. Christian Schmadeke scored in the third inning on a passed ball after getting on base with a single. We could never really get things going offensively. We made adjustments and started catching on to their starting pitcher, but ran out of time to get to their reliever.

We'll keep making tweaks to our approaches at the plate and continue to talk through situations we've seen before we get back to action next week.
