Comments:

The Monarch JV team fell to Sioux City North by the score of 7-2. Jake Fink got the start on the mound and Easton Emery pitched an inning of relief.

Our offense never really got going in this one. SC North had a quality starter on the mound and we struggled to string many hits together to start any rallies. I thought our guys pitched well enough to keep us in the game, but we did have a few defensive miscues that allowed SC North to extend their lead and take control of the game.

This game concluded the JV season.
