Comments:

The Monarch JV team fell to Heelan by the score of 4-1. Harrison Dahm started on the mound and got through three innings before Lucas Segebart pitched a scoreless inning of relief.

Our bats could never really get going as Jake Fink provided the only Monarch hit on a single to right in his second at bat. He made his way around the bases and scored on a passed ball. We did threaten at one other point in the game, but were unable to push a run across and left the bases loaded.

I thought our pitchers pitched well and gave us a chance to win the game. We played a fairly clean game defensively, but a couple miscues led to the Heelan three run inning that we were unable to come back from.

The JV team concludes their season with two games on Monday.
