Coaches Comments: We were a little short handed today missing Lynnae, but I was proud of how everyone stepped up. We narrowly lost 4-5. We learned some things from this lost and will be ready to go tomorrow when we play ranked #7 LC at Council Bluffs.

Highlights: Kiana Schulz always finds ways to win at #1 singles. Winning being the #1 is tough because you always get everyone's best player, but she is always up for the challenge and loves competing.

Abby Gutierrez picked up a nice win at #2 singles. She has been improving a lot throughout the season.

Claire Leinen picked up the best win of her career at #3 singles. Her forehand/backhand have looked amazing the last couple weeks.
