Comments: The score does not reflect how well we truly played today. We battled with one of the best teams in our conference and put up a good fight. In many of the matches we were winning, but could not finish out the matches. I am proud of how we played today. The pieces are starting to fit together. I am excited for our triangular tomorrow against Heelan and Harlan.

Varsity Highlights: Hailey Meseck gave it her all today in her singles match. Her lobs were on point.

Kiana Schulz was hitting her serve the best I have seen all year.

Abby Gutierrez was getting to all of her opponent's hits with her speed.

Emma Ahrenholtz almost battled her way back in her match. I was proud of her effort.

Lynnae Johnson started putting speed and power on her hits which I can't wait to see more of.

Zoey Beery's consistent play and well-placed hits were too much for her opponent.

JV Highlights: JV won their match 8-3.
