**Coaches Comments:** We knew coming into today that if we can play how we have been playing recently that we had a great chance to beat AL. We started right where we left off and won 9-0. It's fun watching this team because of how deep of a team we have. I am excited to see how we compete tomorrow with Storm Lake.

**Highlights:** Kiana and Claire fell behind in their doubles match right away, but battled back because of their aggressive play at the net and powerful serves.

Lynnae and Abby G. are a fun doubles team to watch. They can get to almost any shot because of how fast they are.

Abbey M. and Zoey have good team chemistry with each other helping them pick up a win today.
