**Coaches Comments:** We played well today against a really good team. I was proud of how everyone stepped up to make this a very close matchup. We need to bounce back fast for Thursday's matchup against Shenandoah.

**Highlights:** Olivia Devore and Ella Bahnsen both had great singles matches today. They both are playing very impressive tennis for only being freshmen.

Claire Olsen and Kacie Schulte won big in doubles 8-0. They played aggressive today and overpowered their opponents.

Abby Ratliff picked up a nice singles win. Her backhand is looking great.
