

We're really excited to get the season going this year. On the boys team we have two returning players from the Varsity team; Jake Fink and Ethan Totten. On the girls team we have four returning players from the Varsity team; Brianna Musgrave, Brittany Musgrave, Nevaeh Brandt, and Alexis Hartwig. There are a few things to look forward to this year. One is the number of Freshman that have joined the team with knowledge and a drive to improve their skills. Be on the lookout for some of their names this season. We will also be hosting a tournament this year on February 1st. This tournament will be the same format as the state qualifying meets. There will be 15 baker games with a lane rotation after every 5 games. 6 teams have been invited and both boys and girls teams will be bowling.
